

Your Services, Your ACCA

The Members' Services team is proud to be the contact point between ACCA Ireland and our members. It organises the annual programme of 150 CPD and other events at 16 locations throughout the country, while, on a one-to-one basis, it engages with members on queries relating to everything from CPD eligibility to membership and practising certificate applications.

The wide-ranging events programme includes:

- Mid-week and Saturday courses for practitioners;
- One-day courses for corporate sector members;
- Evening lectures for members in all business sectors;
- Financial services lectures;
- Public sector lectures and courses;
- Business breakfasts;
- President's Dinner;
- Business lunches in Dublin and other centres;
- Graduation ceremony;
- Events for affiliates and newly qualified FCCAs; and,
- Golf outings and other social events.

Team members attend each event and are happy to answer CPD or other membership queries.

ACCA Networks

ACCA Networks assist the team in developing events for fellow members. These networks are:

- ACCA Ireland Executive Committee
- Business Leaders Forum
- Financial Services Network
- Leinster Members Network
- Munster Connaught Members Network
- Practitioners Network
- Public Sector Network
- Ulster Members Network

Team members support the ACCA Ireland President, other ACCA officers and members of the Executive Committee.
